Welcome to the 2015 School Year
A very warm welcome to all our returning families and our new families to the new school year. I know for some of you, it’s back to the old routine, but for all the first time school parents it can seem a little confusing, even daunting at times. If you are unsure of anything at all, please do not hesitate to come and ask. It doesn’t matter how trivial it may seem to you, we are here to ensure your time and your child's time at school is the best we can possibly make it. There is no such thing as a silly question and all our staff are very approachable. I promise they won’t bite!

I am very excited about this year. We welcome 3 new staff members, Mr Martyn Waters (JW), Mrs Riley (23MR) and Miss Danica Bolton (34B). There are some changes in roles as the school grows. Mr Langford is now out of a grade again and will be student welfare and Mrs Batson will be teaching music.

Pick up/ Drop off
I realise it is your natural inclination to want to take your child into their room and see them settled before school and then wait just outside their room at the end of the day, especially when they've just started school but please do not do this. It is far better organisationally and space wise to take them to their class’ line up place on the netball court. Spend a little time with them there shooting the breeze until their teacher comes to collect the class. At the end of the day the P/1 teachers bring the whole class out to the netball courts and wait until the children have all been picked up or gone to after school care. Year 2/3 students are always let out through the door leading to the basketball courts and there are teachers on duty until 3:45pm.

Student Information Forms
You would have received a student information full details form. It is extremely important to ensure that the details are up to date and the emergency contacts are current. We have had instances in the past where a student has been injured at school and we have not been able to contact either parents or any of the emergency contacts. If your details have changed in any way, please make the alterations and send the form back to the office by Wednesday 11th February.

School Levies
There are a small number of families that have not yet paid their school levies. If you haven’t paid them yet, I would encourage you to do so by Friday 13th February. These levies help fund many of the areas that enable Bonbeach P.S. to provide the best possible educational facilities and programs for your child. If you are having financial difficulties please contact the Office to organise a payment plan.
Notice of Election and Call for Nominations for School Council

An election is to be conducted for members of the school council of Bonbeach Primary School. Nomination forms may be obtained from the school and must be lodged by **4.00 pm on Friday 13/2/2015**. 

The ballot will close at **4.00 pm on Friday 13/2/2015**.

Following the closing of nominations a list of the nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for election are as follows:

<table>
<thead>
<tr>
<th>MEMBERSHIP CATEGORY</th>
<th>TERM OF OFFICE</th>
<th>NUMBER OF POSITIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent member</td>
<td>From the day after the date of the declaration of the poll in 2015 to and inclusive of the date of the declaration of the poll in 2017</td>

</tr>
<tr>
<td>DEECD employee member</td>
<td>From the day after the date of the declaration of the poll in 2015 to and inclusive of the date of the declaration of the poll in 2017</td>
<td>1</td>
</tr>
</tbody>
</table>

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

Ken Jones  
Principal
What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?

For most school councils, there are three possible categories of membership:

- **A mandated elected Parent category** – more than one-third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not engaged in work at the school.

- **A mandated elected DEECD employee category** – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.

- **An optional Community member category** – members are coopted by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on school council?

No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DEECD employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

*Remember*

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

Contact the principal for further information.
UPDATE STUDENT INFORMATION

All parents should have received a Student Information Full Details form for each child. This form needs to be amended and or updated with current information and returned to the school office by Wednesday 11th February. Please return even if no corrections are made.

If your child has a Medical Management Plan eg: Asthma, Allergies etc please provide a copy to the office as well.

Please note that it is imperative that we have up to date information for your child/ren.
Bonbeach Primary School Dress Code

It has been fantastic to see everyone in correct school uniform this year. It really does make a difference to the general tone and look of the school. I have been approached by some parents for clarification on some components of the dress code, particularly about the footwear. There are no required colours, nor do students have to wear school shoes. Runners are fine. In fact, any footwear that complies with the 6th component of the dress code is permitted.

DRESS CODE
- The Student Dress Code at Bonbeach Primary School requires that all students wear the school uniform during school hours and when students are engaged in specific school activities out of school hours. If students are not wearing full school uniform they will not be permitted to attend excursions.
- Shoulder length hair or longer, should be tied back to lessen the risk of injury or hygiene problems. All hair accessories should be in school colours.
- To minimise the risk of loss, damage or injury, students must not wear jewellery other than watches. A single ear stud or sleeper ear ring is permitted in each ear.
- Makeup, body art, extreme hair colour or styles and visible body piercing are not permitted.
- Necklaces, chains, pendants, rings or bracelets are not permitted.
- Students are not permitted to wear thongs, open toed shoes or slip on style shoes that lack heel and ankle support. Any shoes that are a potential tripping hazard are not permitted. Students must wear sports shoes in sports/PE sessions.
- Nail polish is not permitted.
- An approved broad brimmed navy school hat or legionnaires cap is compulsory from September to May.
- On Free Dress Days thongs, singlets, tank tops and crop tops are not permitted.
- Parents of students that need to deviate from the dress code due to religious or health reasons must contact the principal.
- If students are not dressed in full school uniform the following process will be followed:
  1. A formal letter stating that your child was not in appropriate school uniform will be sent home. It must be signed by a parent or guardian and returned to the school. After 3 formal letters are sent home the student and parents will be contacted by the principal to arrange a meeting to explain why the student continues not to comply with the dress code.
  2. It should be noted that if any formal letters are not returned to the school signed by the parents the staff will immediately move to step 2 in the process.
- Parents who need support due to various circumstances need to contact the office.

Uniform
- Blue and white checked dress (bike shorts can be worn under the dress as long as they are not visible and in school colours)
- Navy shorts
- Light Blue polo shirt or T-shirt, with either the school logo or no logo
- Tracksuit pants
- Winter dress (navy blue tunic)
- Navy stockings or tights can be worn under a school dress in winter
- Sports shirts can only be worn on sport days
- Navy netball skirts can be worn for sport and PE
- Navy windcheater, vest or bomber jacket, with either the school logo or no logo (no hooded jumpers are permitted)
- Closed toed shoes must be worn with socks
- Socks need to be in school colours
- Grade 6 students are permitted to wear their grade 6 polo shirts and jumpers
Getting kids to school ON TIME!

Missing a few minutes each day may not seem like a big deal but your child may be missing more than you realise if he or she is continually late.

“Come on Jack! Get a move on. School starts in ten minutes and you’re not even dressed yet!”

If this scenario sounds familiar then you are not alone. Anecdotal evidence suggests that getting children to school or pre-school on time can be one of the most difficult tasks for parents. Missing a few minutes each day may not seem like a big deal but your child may be missing more than you realise if he or she is continually late.

Current research shows that mornings for most children are the most productive time of the day with 10.00am the peak period for productivity. When children arrive late and take time to settle as they inevitably do precious minutes are lost. A child who is fifteen minutes late to school each day misses one week of school every year.

How can you get your dawdling kids out the door without yelling yourself hoarse? Here are a few techniques and ideas for you to try to get your punctually-challenged children to school on time:

✓ Identify and remove distractions such as television.

If the children are regular watchers before school change the routine and keep the TV off. It should only be turned on when children are completely ready for school.

✓ Teach some of the basics of time management.

The average adult underestimates by about 25 per cent the time it takes to do various jobs. Make sure you have realistic time estimates and stop packing so much into the time you allocate. Encourage older children to estimate how long it takes to do activities such as getting ready in the morning. Then they can measure the time taken to do these tasks and compare their estimates with real time.

✓ Arrive at school ten minutes early.

Plan to arrive at school early rather than be there on time. This idea works well for perpetual latecomers, whether young or old.

✓ Model a good routine.

It’s pointless expecting children to be organised in the morning if you are in a muddle yourself. Set a good example by being as methodical as possible and avoid sleeping in unless your children are so organised that they get you breakfast in bed. And pigs might fly as well!

✓ Establish a morning routine.

Make sure your children know what is expected of them in the morning, and also what you will do. Resist nagging but be willing to take them to school even if they haven’t fully prepared for the day.

Canteen News

Canteen starts Friday 13 February

Welcome back to another year.

This year canteen will be on Friday (like previous years)
Thank you to all our lovely volunteers
without which the canteen would not exist.

To all the new families we have canteen one day a week on Friday’s.
On this day we open the canteen at big play (1.30pm to 2.30pm) for students
to buy snacks and drinks. Anything from the snack menu overleaf.

We also offer a lunch order on the same day.
You can order anything from the snack or lunch menu and it will be prepared
on the day and delivered to your child’s classroom at their normal lunch time.
There is only one delivery at lunchtime.

You still need to supply a fruit snack for their snack time in the morning.

To order a lunch order, you will need a brown paper bag
or one of the reusable lunch bags available for sale from the uniform shop.
Write your order on the bag and total the cost. Put the correct money in the
bag (we prefer correct money so your child doesn’t need to worry about losing
the change) and bring to school on Friday morning. First thing on Friday
morning the lunch orders are collected by the class in a basket. Canteen
volunteers come and collect the baskets and then start preparing the lunches.

Canteen runs every Friday of a term
except the first full week and the last week.
This years canteen starts 13 February and ends 20 March.

We sometimes have special lunch days, so look out for notices beforehand.
