

# MAINTENANCE WORKS

## BONBEACH PRIMARY SCHOOL

22 January 2018

The Victorian School Building Authority is committed to working with Victorian government schools to ensure that school premises are safe, secure and well maintained.

The Victorian School Building Authority (VSBA) has been working closely with Bonbeach Primary School since mid-November 2017 to undertake repair and maintenance works to the western wall and toilets where termite damage has occurred.

A structural engineer was engaged to help investigate the extent of damage, and we are now in the last stages of finalising the scope of repair works.

The next step will be appointing a builder, which will happen in late January 2018. Once the builder is appointed, the works will start on site.

We are conscious of having the repairs completed as quickly as possible to minimise disruption to students and staff, and expect works to be completed by March 2018.

We appreciate your ongoing patience and support while these works are underway at Bonbeach Primary School.

If you have any questions about these works, you may contact the VSBA on 1800 896 950 or [vsba@edumail.vic.gov.au](mailto:vsba@edumail.vic.gov.au).

### TIMELINE

Builder appointed: Late January 2018

Construction commences: Late January 2018

Construction complete: March 2018
