

# Child Safe Standards

The Child Safe Policy will be added to the website for community consultation. This policy is required by law (*Ministerial Order No. 870 – Child Safe Standards – Managing the risk of child abuse in schools*) and Bonbeach is currently updating all associated policies to meet this requirement by the end of 2016.

Finally, a vital component of updating policies is parent involvement and feedback. Whilst there are a number of avenues for this, the most effective way is to attend an Education Sub-Committee meeting. The next meeting is scheduled for Tuesday, 23<sup>rd</sup> August between 5:30 - 6:15ish in Mrs Jennings' room in the Junior section of the school.
