Grade 5/6 2017 Water Safety and Survival Program (12/10/2017)

Dear Parent/Guardian,

An event, Grade 5/6 2017 Water Safety and Survival Program, has been planned for Thursday, 12 October 2017. The Grade 5 and 6 students will be attending a Water Safety and Survival Program at Bonbeach Life Saving Club each Thursday, for the first five weeks of Term 4. The cost of the program is \$35 per student. We feel that a focus on safety and survival in a beach environment is more appropriate for the senior students. We are fortunate to have the support of Bonbeach Life Saving Club, who will be able to provide qualified instructors, suitable equipment and amenable facilities to facilitate such a program. Many families have already paid for this program via the booklist payment, you do not need to pay again. Please contact the office if you are unsure if you have paid or not. Thank you all for another year of support for this very important program. Please complete this form by Wednesday 20/9/17. The program dates are all on Thursdays:
